

The Delicious World of Happiness

खाणाच्यांची गोडी , शुद्धतेची जोडी

Foodkari beverage and agro industries is looked as an emerging name in the Indian food industry. Foodkari is different for its passion to bring the best in food industry at affordable price, we are sons of farmers focused by professional approach. we bring in purity of thoughts & ingredients backed by quality raw material to prepare food products with the love from the bottom of heart.

We are currently operating in Pan India with **50+ food products** under Foodkari brand and planning to roll out category wise product extension in coming time .

We are manufacturer of high quality food products for both food service and retail trade.

We are very particular to obtain our raw ingredients from genuine and reliable vendors. These are pure and quality ingredients with no harmful preservatives or chemicals.

Our range of food products can be eaten or used to prepare all kinds of Indian dishes like pickles , salsas , spices , instant mix etc.

Our food products are delicious in taste & prepared by outmost hygiene.

All our products are available in different sizes. In addition to this, our variety of products have assured quality, due to which these are highly preferred by the customers.

Longer shelf Life | Proper packaging | No harmful preservatives used | Quality procurement | Manufacturing under different norms

Establish satisfied clients worldwide
& provide 100% quality & pure taste

Strong bond between our customers,
vendors and among partnerships

Focus on high quality, high production efficiency
& wide distribution.

Why us ?

We deliver what we promise
All our products are examined under the highest standards of quality control before delivery.
We are experts when it comes to manufacturing, promoting and exporting food products to various states across the India.
